

FAQs- Indian Prairie School District 204, IL

1. What is World Language class?

A. It is a language class other than English that the students take during their 4 years in high school. IL state board of education and district 204 have approved SiliconAndhra ManaBadi standards to offer Telugu as World Language transfer credit class.

2. What is World Language transfer credit?

A. If a student completes a year's coursework from outside of the high school, (s)/he can earn credit for the class and there by transfer the credit to their high school transcript.

3. How many years of outside coursework will be accepted?

A. A maximum of 2.0 credits of coursework will be accepted during 4 years in high school.

4. How does a student earn transfer credit?

A. A student must first seek approval from the high school principal/ counselor to receive graduation credit. Upon completion of the coursework, the student must provide official transcript from SiliconAndhra ManaBadi to the school.

5. In addition to completing Telugu coursework with SiliconAndhra ManaBadi, are the district students required to take an additional World Language coursework in school to fulfill graduation requirements?

A. The current 204 graduation requirements specify 1.0 credit from the following:

Electives (Art, Music, World Language and/or Career & Technical Education) - Transfer credit from Silicon Andhra ManaBadi would be recognized as an Elective credit. Students must complete level 2 and level 3 in ManaBadi to earn credit for Level 1 in high school.

6. To fulfill High School level 1 credit, can the students complete SiliconAndhra ManaBadi level 2 in grade 8 and complete level 3 in grade 9 and earn High School Level I credit?

A. Yes

7. My child is a ManaBadi graduate. Does (s)/ he still have to enroll for Level 2 course?

A. Yes. If your child completed Prabhasam, it will be a very easy class to be in and thereby complete the class with high school credit with ease. This course shall be to your child's advantage.
